

Royal Raindrops Crabapple

(Malus 'Royal Raindrops')

Mature Height: 15'-20'

Mature Spread: 10'-15'

Growth Rate: Moderate

Flower: pink, double flowers

Fruit: small, reddish-orange

Fall color: Red

USDA Hardiness zone: 4-8

Royal Raindrops is a medium sized tree with a profusion of bright pink flowers in the spring. The foliage comes on deep purple in the spring, turning green for the summer, then returning to red for the fall. The small, reddish-purple fruits come on mid-summer

and are a favorite of birds. They persist into late fall. It is highly resistant to the most common crabapple diseases and may require minimal pruning to maintain its shape.
